BUDGET-*IN*-BRIEF FISCAL YEAR 2005-2006

Summary of Livermore's Approved Operating Budget and Capital Improvement Program

Livermore City Council 2005-2006 Strategic Priorities

Economic Vitality

Create a prosperous business climate that provides employment and stimulates shopping and leisure pursuits for residents and tourists:

- Redevelop and revitalize Downtown into a community gathering place and regional destination for fine dining, cultural arts, entertainment and shopping – and a desirable residential location.
- Provide resilient tax base for long-term financial support of City services and infrastructure maintenance.
- Attract, retain and expand business opportunities.
- Market Livermore and Livermore Valley Wine Country.

Public Safety – Police & Fire Services

Provide a safe environment for people and property:

- Ensure community-wide security and disaster preparedness.
- Coordinate local homeland security with Lawrence Livermore National Laboratory.

Quality of Life

Develop programs and services that promote:

- Performing and cultural arts, regional transportation, affordable housing, neighborhood preservation, landscaping (major streets), and traffic safety.

Physical Environment

Promote and protect a healthy environment:

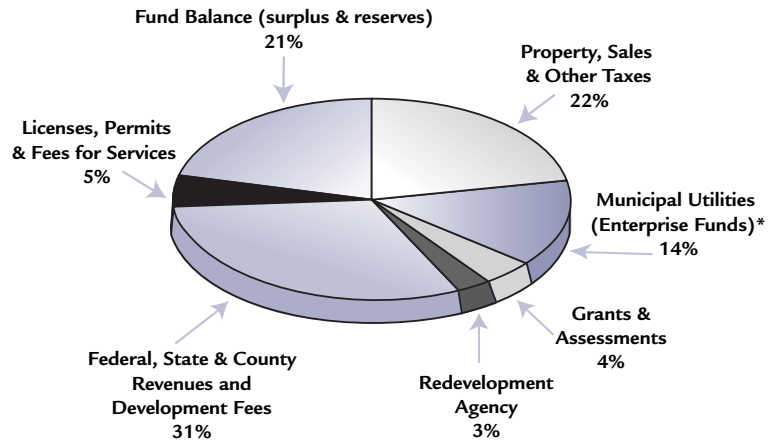
- Maintain diverse land uses including open space and scenic vista preservation.
- Select alternative for wastewater disposal capacity.

Municipal Services & Facilities

Maximize cost-effectiveness and efficiency of municipal services and facilities:

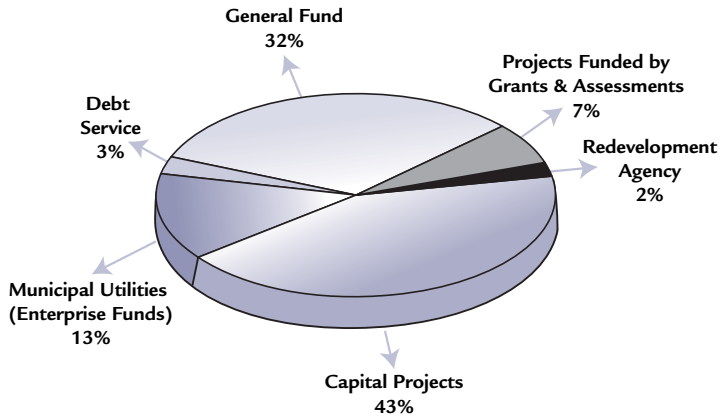
- Ensure long-term viability of Las Positas Golf Course.
- Improve sidewalk repair program.
- Develop plan to relocate and expand Springtown Branch Library.
- Analyze cooperative opportunities with Livermore Area Recreation and Park District to provide cost-effective services.
- Advocate state and federal legislation that supports local government services and facilities.

Where the Money Comes From... Estimated Sources of Revenue: $229,113,080



*Enterprise Funds include self-supporting City services such as water, waste-water, stormwater, airport and golf.

Where the Money Goes... Approved Budget: $229,113,080



Figures on charts in this brochure are rounded.

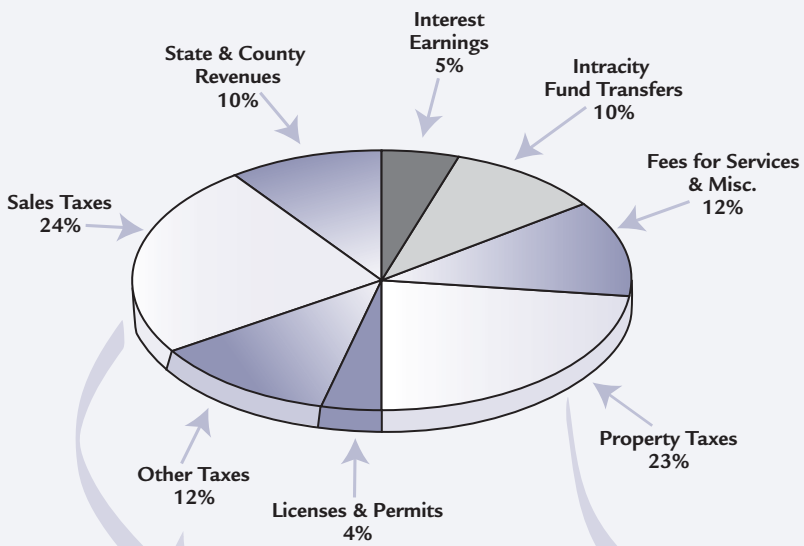
The Mission of the City of Livermore is to provide efficient, attentive and courteous service; promote economic vitality and innovation; and work to enhance the community and quality of life for Livermore citizens.

General Fund **Revenues & Services**

Fiscal Year 2005-2006

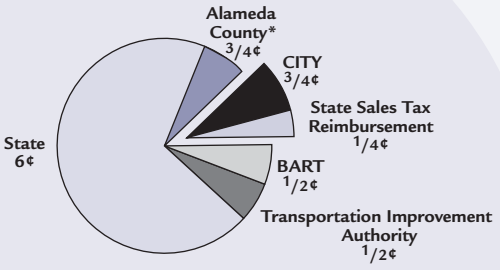
General Fund revenues pay for basic City services such as police, fire, library, street and landscape maintenance, and community development. Since water, wastewater, stormwater, airport and golf services are self-supporting, they are excluded from this fund. Revenues exceeding the cost of providing General Fund services enable the City to add to the General Fund balance. This surplus balance finances capital improvements and/or provides a reserve for future emergencies. The General Fund balance projected for fiscal year 2005-2006 is $1.2 million.

ESTIMATED GENERAL FUND REVENUES $84,127,650



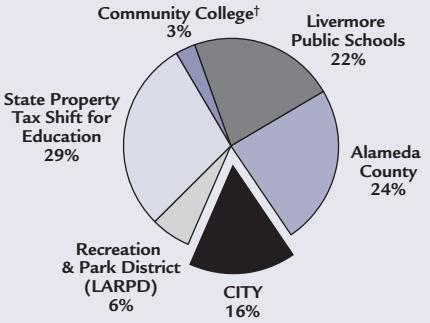
- **Sales Taxes = $20.3 million**
  Livermore receives one cent of the 8.75% sales tax collected within the City.
- **Property Taxes = $19.6 million**
  Livermore receives 16 cents from every property tax dollar collected. A home with an average assessed valuation of $297,000 generates $475 in annual revenue to the City.
- **Fees for Services & Misc. = $10.2 million**
  These revenues include engineering and inspection fees, use and variance permits, and interfund charges.
- **Other Taxes = $10.1 million**
  These revenues are generated from PG&E, cable system and garbage franchises; business and construction licenses; real property transfers; and hospitality services.
- **State & County Revenues = $8.8 million**
  These revenues include State motor vehicle fees, public safety funds, and Emergency Medical Technician assessment.
- **Intracity Fund Transfers = $8.4 million**
- **Interest Earnings = $3.9 million**
- **Licenses & Permits = $3.0 million**
  These revenues include building and fire code permits.

YOUR 8.75% SALES TAX: HOW MUCH GOES TO OUR CITY?



*Includes 1/2¢ for "Measure A" Health Care Services, authorized 7/1/04

YOUR PROPERTY TAXES: HOW MUCH GOES TO OUR CITY?



†Includes Chabot-Las Positas Community College District bond measure, authorized 3/2/04

IMPACT OF CALIFORNIA STATE BUDGET

In June 2005, City Council adopted updates to the Two-Year Financial Plan for 2004-2006, which includes Livermore's operating and capital budgets. The updated Plan shifts approximately $2.7 million from the City's General Fund and $406,000 from the City's Redevelopment Agency to the State (to help balance the California State Budget). The updated Plan also accommodates the California Economic Recovery Bond Act (Proposition 57) approved by voters in March 2004. Proposition 57 shifts 1/4 cent (of the 1-cent sales tax) from all cities to the State to fund the repayment of a $15 billion State bond. The State will replace the 1/4 cent loss to cities with other State revenues.

THE COST OF GENERAL FUND SERVICES

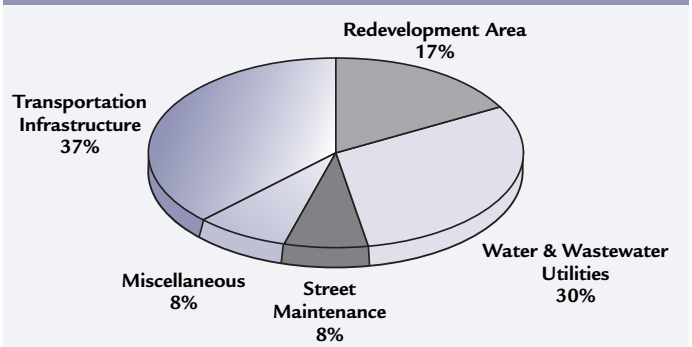
Police Safety	28%	$21,945,270
Fire Safety	16%	$13,350,130
Community Development	18%	$13,390,030
Public Services	10%	$8,100,040
Administration	8%	$7,163,440
Library	6%	$4,495,970
General Services	6%	$4,124,340
Capital Improvement Program	2%	$1,755,300
Reserves, Debt Service and Transfers	6%	$9,803,130
Total General Fund Costs	100%	$84,127,650

Two-Year Capital Improvement Program **Project Highlights**

Fiscal Years 2004-2006

The Capital Improvement Program (CIP) is a 20-year plan that serves as a blueprint for future public projects. It is differentiated from the Operating Budget in that it involves property acquisition, public works & City infrastructure improvements, construction of public buildings, and the purchase of capital equipment. The City Council reviews and updates the CIP every two years and, as needed, re-establishes capital project priorities, which may change during the 20-year life span of the CIP. As required by State law, the Planning Commission reviews CIP updates to ensure consistency with the City's General Plan. Many CIP projects are already in progress with major ones highlighted below.

Two-Year CIP Budget:
Fiscal Years 2004-2006 $147,192,950



Transportation Infrastructure Projects ($54.3M)

- Isabel Avenue/I-580 new partial cloverleaf interchange (anticipated completion in late 2009)
- Isabel Avenue/Vallecitos Road intersection realignment
- Murrieta Boulevard, Holmes Street & Fourth Street intersection improvements
- Vasco Road & Greenville Road/I-580 interchange right-of-way property acquisitions
- Greenville Road & Union Pacific Railroad Bridge: widening to four lanes from north of UPRR Bridge to south of bridge and four-lane bridge replacement
- Proposed I-580 interim ramp metering to improve traffic flow on I-580 during commute hours and reduce regional cut-through traffic

Water, Wastewater and Enterprise Utilities Projects ($44.8M)

Wastewater projects needed to accommodate sewer flows generated by development associated with the General Plan and Downtown Specific Plan:

- Water Reclamation Plant Phase VI improvements
- Zone 1 Water System: new potable water system tank, pump station and transmission main improvements to enhance water storage reliability on west side of Livermore
- Phase I Pump Station and transmission mains
- Trevarno Road Pump Station improvements
- Water Reclamation Plant improvements: hydraulic mixers for digesters, recycled water filter modifications, and ferric chloride injection system replacement

Downtown Revitalization ($25.2M)

- First Street Streetscape –
  Phase 1: demolition and underground construction includes installation of water mains and service laterals, sewer mains and laterals, storm drain lines, and electric, gas, cable and telephone lines
  Phase 2: redesign of First Street from four to two lanes and installation of flexible zone paving for diagonal parking or pedestrian amenities
- Structure demolition to accommodate future construction and housing
- First Street flagpole renovation/replacement
- Livermore Valley Center Park Plaza common area
- Cultural arts facility land acquisition

Miscellaneous Projects ($12.3M)

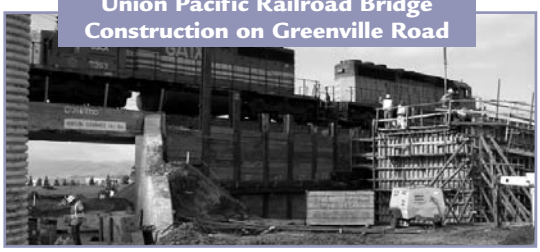
- Storm drain system upgrade from Arroyo Mocho along Stanley Boulevard to prevent flooding of East Stanley Boulevard
- Recycled-materials play structure to replace existing equipment at Leo R. Croce Elementary School (funding from Alameda County Source Reduction and Recycling program)
- Traffic control projects: intersection modifications, emergency vehicle pre-emption equipment, signal interconnections (to improve traffic flow), traffic striping and signing, and pedestrian crossings improvements
- Multi-use trail near Marina Avenue to provide a link to South Livermore Valley Trail System: extend existing Arroyo Mocho Trail from Robert Livermore Park to South Livermore Valley Trail System near Concannon Boulevard
- Arroyo Mocho creek bank at City Maintenance Service Center
- Airport Noise Monitoring System equipment
- Secondary containment system upgrades for Airport underground storage tanks
- Airport Hangar S-1 Foam Deluge Fire Protection System repairs

Street Maintenance ($11.0M)

Neighborhood and street improvement projects are primarily financed by state gas taxes, grants, and Alameda County Transportation Improvement Authority funds:

- Traffic calming program to reduce speeding and promote bicycle and pedestrian safety in residential neighborhoods
- Citywide street resurfacing and slurry seal projects to rehabilitate various roadways
- Sidewalk repair and accessible ramp installations
- Trails rehabilitation
- Holmes Street, First Street, and Vallecitos Road repair and rehabilitation as a result of Route 84 Transfer and Relinquishment

Union Pacific Railroad Bridge Construction on Greenville Road



Major Capital Improvements & Accomplishments in Fiscal Year 2004-2005

Transportation Infrastructure Accomplishments:

- Isabel Avenue Interchange Environmental Impact Review
- Livermore Valley Center Parking Structure (three stories, 526 spaces) and Vasco Road land acquisition Environmental Impact Review Certification
- Eminent domain action settlement facilitated Greenville Road Interchange land acquisition

Downtown Revitalization Accomplishments:

- First Street Streetscape Phase 1: demolition and underground construction includes installation of water mains and service laterals, sewer mains and laterals, storm drain lines, and electric, gas, cable and telephone lines
- First Street flagpole renovation/replacement
- Hansen Park renovation
- Downtown building demolition project in Golden Triangle

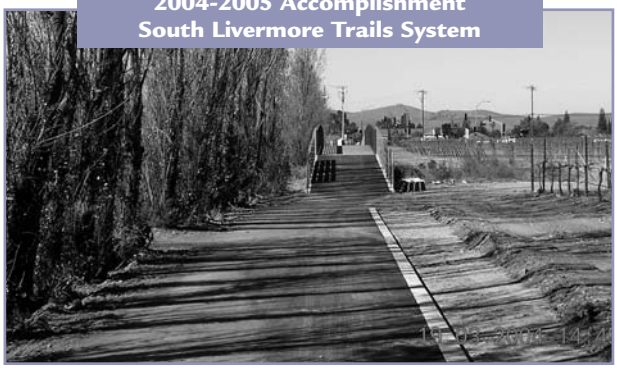
Street Maintenance Accomplishments:

- Annual street resurfacing (2 miles) and slurry seal projects (8 miles)
- Annual sidewalk repair; curb & gutter program
- Accessible parking upgrades
- South Livermore Avenue and 2nd Street illuminated crosswalk
- Concannon Boulevard & Holmes Street Traffic Signal safety modifications
- Traffic calming improvements at Murdell Lane, Vancouver Way, and L Street
- Annual access ramp project to comply with Americans with Disabilities Act

Water & Wastewater Utilities Accomplishments:

- First Street storm drain relocation
- Holmes Street/Fourth Street storm drain improvements
- Railroad Avenue sewer line improvements
- Wastewater Disposal Master Plan

2004-2005 Accomplishment
South Livermore Trails System



Miscellaneous Accomplishments:

- Multi-use trail near Marina Avenue to provide a link to South Livermore Valley Trail System; Arroyo Mocho Trail extension from Robert Livermore Park to South Livermore Valley Trail System near Concannon Boulevard
- Recycled-materials play structure to replace existing equipment at Leo R. Croce Elementary School (funding from Alameda County Source Reduction and Recycling program)
- Las Positas Channel Bike Trail at Springtown (North Livermore)
- Maintenance Service Center fuel system improvements
- Peace Monument bronzing
- Police Department security improvements

KEY STATISTICS

Date of Incorporation	April 1, 1876
Type of City	General Law
Form of Government	Council-Manager
Area	24.52 Square Miles
Population as of 1/1/2005	80,723
Net Assessed Valuation FY 2004-2005	$10.2 Billion
Miles of Streets as of 6/30/2004	278.4
Fire Stations	5
Firefighters-Sworn Personnel	62
Police Stations	1
Police-Sworn Personnel	95
Sewer Connections	28,217
Parks and Open Space Sites	45
Libraries	3
Full-Time City Employees	561

Financial Plan Online, etc.

You can review the City of Livermore Financial Plan for fiscal years 2004-2006 at all Livermore libraries, the City Clerk's Office, the Finance Department, and on the City's website at:

www.ci.livermore.ca.us
click on **Reports & Documents**
on the home page in the
Highlights Section.
