Airport Open House & Air Show 2012

Saturday, October 6th, 10:00 am - 4:00 pm

The City of Livermore, Airport staff and tenants invite the Tri-Valley community to celebrate their 17th annual Airport Open House & Air Show on Saturday, October 6, 2012 from 10:00 AM until 4:00 PM at the Livermore Municipal Airport.

The Airport Open House is a free community event, featuring exhibits, food, entertainment, and a fabulous static display of Livermore based aircraft! Aerobatic pilots, Jacquie Warda, Rich Perkins, Vicky Benzing, and Dr. D's Old-Time Aerobatics will delight visitors with aerial performances throughout the day! Get information about skydiving and watch a demonstration jump by a four-man team. Participate in an Event Scavenger Hunt for great prizes! Our local radio station, KKIQ, will be here giving away prizes and broadcasting live on 101.7 MHz from 10:00 AM to 12:00 PM.

The Livermore Municipal Airport is home to over 500 General Aviation aircraft, including Military/Warbirds, Antique/Classic, Experimental/Homebuilt, and Aerobatic type aircraft.

Join us at the Airport! Meet representatives of local flight schools. Sign up your 'Young Eagles' (youngsters age 8-17) to experience flight and learn about aviation from an Experimental Aircraft Association (EAA) pilot. View the amazing fleet of Livermore aircraft as well as airborne law enforcement and air rescue aircraft. Plus admire the many classic cars and last-minute surprises that will be on display!

The Rotary Club of Livermore Valley will provide food at a nominal cost, so come and enjoy this fun-filled, family-friendly day!
