# CONTRACT FOR PARENT PROJECT ®

The Parent Project ® is about a lifestyle and/or permanent relationship change with new behaviors expected for each member of the family…not a quick fix. The benefits of this program are enormous: your family will become stronger; you will feel more effective as a parent; your child's behaviors may become more positive as a result of your work in the program; you will meet people who could become lifelong supporters and/or friends.

The program begins on October 23, 2012 and ends on January 29, 2013. The cost of the Parent Project ® is $175 per person or $200 per couple. ***I agree to pay my full cost before October 23rd***. I am committed to attending all 12 sessions. I will not partake of any alcoholic beverages prior to attending class. I agree to call Horizons @ 371-4747 right away if I cannot make a session due to an emergency or with 24-hours notice if I have a pre-scheduled appointment. I also agree to do the homework assignments and bring my book to class every week. To receive full benefit of the course, full attendance is essential.

All participants will receive a survey in the mail upon completion of the course. We (facilitators/participants) agree that the information shared in the Parent Project ® workshop is confidential. Information (including names of participants) will not be shared outside of our meetings without explicit permission. However, disclosure is mandated if there is a reasonable suspicion of child abuse or if someone presents a danger to self or others. The facilitators will tailor interventions/action plans to an individual's situation, if there are extenuating circumstances.

The Parent Project ® is being held at 1401 Almond Avenue in Livermore on Tuesdays from 6:00 p.m. until 9:00 p.m. You will learn effective and evidence-based techniques to communicate with your children and improve their academic performance and "out of control" behavior. You will receive a book entitled, ***Changing Destructive Adolescent Behavior.***
