III. **FACTUAL INFORMATION:**

On August 31, 2010 at approximately 3:42 p.m., the victim (an 89 year old female) was walking along the path near the Arroyo Mocho Creek at Arroyo Road and L St. in Livermore. She was approached by the suspect who began walking with her. The suspect engaged in conversation with the victim referring to himself as "Cameron" and stating that he was in the seventh grade. As they continued walking together, the suspect then told the victim he wanted to show her something off the path. The victim followed the suspect off the path at which time the suspect struck the victim about the head with an unknown object. The blow to the victim's head caused the victim to fall down and the suspect continued to strike the victim repeatedly about the head as she lay on the ground. The victim yelled for help and a passerby who heard her, immediately came to her aid. Upon seeing the passerby, the suspect fled the area on a non-motorized scooter.

The victim sustained a significant head injury and was transported to a local hospital for treatment. She was treated for her injuries and released from the hospital the following morning.
