Livermore Police Educational Awareness Presentation(s)

III. **INFORMATION:**

You are cordially invited to attend an upcoming educational awareness presentation by the Livermore Police Department. Our School Resource Officers will be presenting an awareness class to parents and students of currently enrolled middle school and high school aged children living in the City of Livermore.

The presentation will be about sexual battery, sexting, sextortion, and sexual harassment occurring on the school campuses. There has been a recent increase in events related to sexual battery in the past several years, resulting in several arrests. The goal of this presentation is to equip parents and students to better understand the current trends and laws pertaining to sexual battery, sexting, etc. in order to help the students make better choices in their daily lives and to make our school campuses safer for all students.

The presentations will be provided on two separate nights so that everyone will have an opportunity to attend. The first night will be on September 21, 2010 from 7:00 p.m. – 8:30 p.m. at Livermore High School in the Theater. The second presentation will be on September 22, 2010 from 7:00 p.m. – 8:30 p.m. at Granada High School in the student union.
