"The Mission of the Livermore Airport Commission is to promote the Livermore Municipal Airport in its role as an asset to the City of Livermore. The Goal of the Commission is to promote a quality facility that enhances commerce throughout the Livermore Valley while ensuring Public Safety. The Commission is to provide guidance and support to the City of Livermore in its effort to maximize the opportunity afforded by a well situated and well planned general aviation airport, while encouraging and supporting youth aviation activities, community education and disaster preparedness. The Livermore Municipal Airport is a valuable asset that offers great potential to the community of Livermore and the region, consistent with the development goals of the Livermore Valley and neighboring communities."

The Agenda and Agenda Reports are prepared by Airport staff and are available for public review on the Thursday evening prior to the Monday Airport Commission meeting at the Airport office on 680 Terminal Circle, Livermore, where the meeting is held. Copies may be obtained prior to, or at the meeting. Pursuant to Government Code §54957.5, any supplemental material distributed to the Commission after the posting of this agenda will be available for public review at the Airport office, and if such material is distributed to the Commission at the meeting, a copy will be available for public review.
