

i-GATE Development Corporation Board of Directors

John Mahoney, PE
Faithful + Gould

John is an inspired, self-motivated professional with 20 years of utility management, commercial development and construction, business development, engineering and construction management experience.

John manages the San Francisco office for Faithful+Gould, a world's leading construction project and cost management consultancies working at the forefront of the transport, infrastructure, property and industry sectors. John is responsible for expanding the company's presence and service lines in the greater Bay Area and throughout Northern California.

His municipal experience includes employment with Sacramento Regional Water, East Bay Municipal Utility District, and Zone 7 Water Agency, where John was the acting Assistant General Manager charged with the company's strategic planning, engineering, construction and regulatory compliance. This included directing 32 full-time personnel and consultants with a total annual capital and operating budget of \$79.5 million.

In 2005, John co-founded a commercial development company that managed \$30 million in assets and was the Chief Operating Officer of a commercial construction which he grew from \$5 million to \$19 million in three years.

In 2009, he joined Professional Land Services as a principal – a local engineering and land surveying company focused on the municipal and private development markets. John also co-founded Sustainable Energy Associates, a mechanical engineering firm, providing energy efficiency audits and analysis, such as the 179D Commercial Building Energy Efficiency Tax Deduction.

Over the years, John has served on numerous community boards and committees. In addition to his current involvement as volunteer CEO of the i-GATE Development Corporation – a consortium of 10 cities, two National Laboratories, and major private corporations, he also serves as a Board Member of the Livermore Valley Chamber of Commerce and Member of the Livermore Valley Joint Unified School District Bond Oversight Committee.

John received his Masters degree in business administration from the Golden Gate University, San Francisco in 2002 and his Bachelor of Science degree in civil engineering from the California State University of Sacramento in 1991. He is a California licensed Civil Engineer, Contractor (A,B & C-9) and real estate salesperson in addition to holding LEED AP BD+C and Qualified SWPPP Developer credentials.

In his free time, John enjoys watching sports, outdoor activities and vacationing with his family. He and his wife, Stacey, live in Livermore with their three children.
