- Fireworks Recap
- Job Training Workshop
- Isabel Ave. Construction
- Tri-Valley Housing

Happy New Fiscal Year! -- The City's new two-year financial plan weathers Livermore's continuing economic recovery with cautious optimism. The new budget provides critical services while resetting resources to FY 2005 levels. Seven new police officers will be hired while over twenty positions were eliminated in other departments. The upcoming opening of the Paragon Outlet Mall, employee group bargaining concessions, and an improving housing market all provide optimism about the City's economic future. Questions? Contact me at: citymanager@cityoflivermore.net. Marc

Fireworks Recap -- July 4th fireworks in Livermore was a great success. Festivities kicked off at 4PM at Las Positas College with food, music and lots of family fun. The day's events concluded with the grand finale, a 20 minute fireworks show. This community celebration was possible due to the efforts of dedicated Fireworks Committee Members, generous local sponsors, hard working staff and the thousands of folks who purchased tickets to the event. Thank you to all who contributed to Livermore's Independence Day celebration.

Job Training Workshop -- Attention Retail Job Seekers! On July 17th, the City and the Alameda County Workforce Investment Board are sponsoring a pre-recruitment workshop for upcoming Paragon Outlet job opportunities at the Livermore Public Library from 10 am to 3 pm. Participants will learn resume writing, online application skills and interviewing tips. The Library is located at 1188 South Livermore Ave. For more information, visit the City's website at www.cityoflivermore.net

Isabel Avenue (SR84) Widening Project--Caltrans has begun widening Highway 84 in the Livermore area. SR84 will be widened to further improve regional traffic flow and to increase highway capacity. These efforts should encourage commuters to stay within the State highway system as opposed to using local City streets. The construction will take place over the next several months, and Caltrans will use message boards to inform motorists of construction activities. For more information, please contact Caltrans at 510-715-7920.

Tri-Valley Housing Opportunity Center (TVHOC) --TVHOC received its official designation to become a service provider for the State of California's KEEP YOUR HOME CALIFORNIA (KYHC) program. TVHOC is now eligible to counsel clients on KYHC programs such as unemployment mortgage assistance, principal reduction and transition assistance. KYHC programs assist struggling homeowners, and reduce the number of foreclosed homes in our neighborhoods. For more information, please visit www.tvhoc.org.
