

COVID-19 Regional Testing Site Announced

Effective Monday, April 27, Stanford Health Care – ValleyCare (SHC – VC) in coordination with the cities of Pleasanton, Livermore and Dublin and the Alameda County Fairgrounds will be operating a drive through testing site for COVID-19 for residents of these cities. The testing site will be open Monday – Friday 9:00 a.m. - 5:00 p.m., or while supplies last, at the Alameda County Fairgrounds. If capacity is reached and hours of operation are changed signage will be posted at the gate 12 entrance of the fairgrounds. No appointment is needed. Testing is available to patients with or without a physician order.

Criteria

Symptoms/conditions qualifying a member of the public (residents of Pleasanton, Livermore and Dublin) for testing include at least **one** of the following items listed below:

- Fever above 100 degrees
- Shortness of breath or other respiratory symptoms
- Recent exposure to confirmed or suspected coronavirus
- Other chronic diseases or conditions, such as blood disorders, kidney or liver disease, diabetes, heart, lung or neurological disease, and compromised immune system
- Over the age of 65
- Homeless
- Pregnant or recently pregnant

Further Details

All insurances are accepted and will be billed, but there will be no out of pocket costs. Cash pay fees are waived.

Test results may take up to 72 hours but can be available sooner.

Testing site can accommodate 150 tests per day, or 750 for the week.

Patients will need to provide a phone number or email to receive results and follow-up information.

Must be 10 years of age or older to receive testing.

To Access the Testing Site

Enter through the Alameda County Fairgrounds Gate 12 located off Valley Avenue, Pleasanton. Follow signage to the testing location.
